This is a decision on applicant's request for acceptance of an English translation as a replacement for the English translation, filed in the above identified application 22 June 2007. A petition fee is not required. The request to accept the English translation was filed in the United States Patent and Trademark Office (USPTO) on 09 November 2009. The \$130 processing fee for filing the English translation after the thirty month period is required and will be charged to applicant's deposit account.

On 11 September 2009, applicant filed a Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. 371 (Form PTO 1390) along with, *inter alia*, the basic national fee and an English translation of the international application PCT/JP05/00396.

On 09 November 2009, applicant filed the instant request to accept an English translation for international application PCT/JP05/00396 as a replacement for the originally filed English translation. A correct English translation of the international application PCT/JP05/00396 was submitted. The new English translation of the international application filed on 09 November 2009 is accepted.
